Monroe County Pleas Court we Isaac Busbirk Absalom Ketcham and Samuel A. Smith Commissioners duly appointed by said Court at the December term thereof A.D. 1861 to make partition of the following Land belonging to Eliza Flora and others as heirs of Mathew Flora late of Said County and State. We beg leave to make the following report in the premises to wit that after receiving the warrant of partition assigned to us by the Clerk of said Court we were duly sworn as will appear by an Oath of Office indorsed on the said warrant which we here with return and file, we proceeded to and did make partition of said lands in the following manner to wit.

To Eliza Flora all that part of the North half of the South West quarter of Section (18) eighteen Town (7) seven North of Range (1) one West bounded and described as follows to wit begining at a point (30) forty poles N 85° E of the South West corner witness trees Mulberry 15 inches in diameter S 37° E 11 1/2 links distant thence N 50° W 27 poles 12 1/2 links to a corner stone witness tree Wild Cherry 1 inch in diameter N 82° E 8 links distant thence N 85° E 80 poles to a stone planted open ground thence S 55° E 27 poles 12 1/2 links to a stone corner witness trees B Ash 2 inches in diameter N 59° E 13 links distant poplar 7 inches in diameter N 82° W 62 1/2 links distant thence S 85° W 80 poles to the place of begining containing 23 acres and 3 1/4 more or less which in our opinion is equal in value to the one third of all the lands described in said warrant of partition.

We further report that having understood that the residue of the land described in said warrant would have to be sold by the Administrator of the Estate of Said Mathew Flora Deed for the purpose of paying the debts and upon examination of the premises we are now satisfied that we could not set off the others parties their share in said Land in severally we therefore set off to them in gross the balance of the Lands described in said warrant of partition all of which is respectfully submitted
